

Bach-2-Rock: 200 Years of Musical Transformation

This is the very first program I developed and one that still remains as a more popular selection in my catalog. Its theme is to showcase the generations of inspiration that baroque composers like Bach have had on musicians of our contemporary age. In this setting, it acts as a perfect introduction to showcasing a balance of my repertoire in the fields of classical, jazz, Irish, Latin, Opera, and rock 'n roll music.

NOTE: THIS PROGRAM CAN BE ADAPTED WITH THREE DIFFERENT REPERTOIRES OF UNIQUE SELECTIONS. IT CAN BE BOOKED MULTIPLE TIMES WITH DIFFERENT PRODUCTS.
