

Bach to Blues to Jazz

In many ways, Bach was the original jazz artist and this program seeks to make that connection. Traveling from Bach's Suite No.2 Prelude on through the modern Jazz Ambassadors such as Dizzy Gillespie and Dave Brubeck to even some rock/blues classics from the Animals and Led Zeppelin, this program offers a great sampling of jazz lofty standards and connections through musical history.

My Favorite Things: Inspired by John Coltrane

Prelude to Suite No. 2: J.S. Bach

Blue Rondo a la Turk: Dave Brubeck

When the Levee Breaks: Led Zeppelin

House of the Rising Sun: The Animals

Take Five: Dave Brubeck

Giant Steps: John Coltrane

A Night in Tunisia: Dizzy Gillespie

So What: Miles Davis

Someday My Prince Will Come: Miles Davis

Round Midnight: Thelonious Monk

God Bless the Child: Blood, Sweat, & Tears
