

SALUTE TO BROADWAY!

Catch the Great White Way as Alex shares "My Favorite Things" that will make you want to (I could have) "Danced All Night." With his cello amplified, his sounds altered through guitar pedals, and choruses multiplied through a looping station, you'll be treated to a chorus of sounds unique by any standard by a solo performer. Other Broadway favorites range from "Tommy" from The Who to "My Funny Valentine," "Shall We Dance." and "Somewhere Over the Rainbow."
