

America: Songs of Patriotism, Praise, & Protest

America's democracy is based upon the freedoms of speech and religion as part of its cornerstone. This program presents Patriotism, Praise, and Protest as part of the vital fabric that weaves our differences into our distinct strength. Key hymns, noble anthems of patriotism, and tunes of solidarity and resistance make this a worthy program celebrating our union. Classically trained, Alex Prizgintas employs non-classical tools like distortion, delay, and the iconic "wah-wah" guitar pedals symbolic of 1960s Rock n' Roll bands--all in conjunction with a looping station. Accompanied by a narration that reveals some of the back stories of baroque, jazz, folk, and Rock n' Roll classics, he immerses his audience in a journey through musical history.
