

A Night at The Opera

Complimenting his classical and Broadway programs, “A Night at the Opera” with Alex Prizgintas takes his audience to the Metropolitan Opera House for a wide range of vocal classics. Many staples of the opera world are featured, including Donizetti’s “Una Furtiva Lagrima,” Verdi’s “La Donna e Mobile,” and Bizet’s “Habanera.” However, Alex also explores some related selections crossing into other genres like Showboat’s “Ol’ Man River,” The Threepenny Opera’s “Mack the Knife,” and the rock opera “Tommy.”
